

UAP Research

10-1-23

Research the current information on UAP's (Unidentified Anomalous Phenomenon) and write a two page paper and make a 2 page class presentation (PPTX or equivalent – save as PDF format) on what you conclusions are and what additional work should be done to help resolve this issue. Try to come up with what you would do as a researcher and explain why this is better than what information and observational assets we have currently.

Some links below. You can find many more by doing online searches. This is a rapidly evolving and complex area to make sense of.
